Ironworks AIW Door

## PRODUCT DESCRIPTION

### **RHINO "AIW" SERIES AIW7256X GUN SAFE**

**1650 POUND, 90 MINUTE FIRE PROTECTION SAFE WITH DELUXE DOOR ORGANIZER  
AND UL LISTED LOCK, 63.00 CUBIC FT.**

#### **PRODUCT DETAILS:**

**Meets or exceeds the California Department of Justice acceptable gun safe standards.**

IRONWORKS® safes look like something out the 1800's. Part art, part furniture, and all security with 90 minute fire protection and increased steel thickness, each safe is hand antiqued and distressed to accentuate the natural grain and variations in the steel, producing an heirloom quality piece for your home or office!

#### **Residential Limited Lifetime Warranty:**

- Limited Lifetime Warranty
- Free repair or replacement in the event of an attempted or actual burglary attack
- Free repair or replacement in the event of a fire

View the complete Rhino Warranty (<http://www.rhinosafe.com/warranty/>)

#### **Security Features:**

- Listed with UL ® as a Residential Security Container and meets or exceeds California DOJ acceptable gun safe standards
  - UL Listed Lock
- Patent pending F-4 locking system
  - Internal Anti-Tamper clutch
  - Anti-Punch & Anti-Drill Boltwork
- 1 7/8" thick composite door with full coverage ¼" solid plate steel door front, with external reinforcement ring
  - Recessed door for Pry-Point protection
- 10 gauge formed steel body with external corner reinforcements on critical attack points
- Internally and externally welded body for added strength (total corner thickness approx. ¼")
  - Seamless, continuously welded body
- Large doorbolt (1.25" diameter) 4-way active, 4-sided protection (16 door bolts total)
- Patented tungsten carbide RhinoPlate™ Drill Resistant Armor protects the lock from drill attacks
  - Spring loaded re-locker keeps safe secure if lock is tampered with or removed
  - Weight: 1650 lbs. / 63.00 external cubic feet

#### **Interior Features:**

- 36.53 cubic feet of interior space
- Interior dimensions: 66.9" H x 49.4" W x 19.1" D

- 71 long gun slots & 10 pistol pockets
- Deluxe door organizer with embroidered logo
- Distressed faux suede interior fabric and rivet-like upholstery
  - Plush adjustable shelving and interior walls
- Multiple layers of 5/8" thick UL Rated fire protective lining
  - 4 predrilled anchor holes (9/16" diameter)
- External hinge, 180°+ opening door provides greater access than internal hinged designs limited to only 90° of opening
- Factory installed LED interior lighting with infrared motion sensor and electrical outlet

#### **Exterior Features:**

- 63.00 cubic feet
- External dimensions: 72" H x 56" W x 27" D (not including handle)
  - Large 3-spoke cast iron hand wheel
- Hand antiqued finish with baked on protective coating
  - Removable steel shipping feet

#### **Fire Protection:**

- 90 minute / 1200°F fire protection
- Dual heat-activated expanding door seal helps keep out smoke and heat
- Fully fire lined, no uncovered hinge attach points like most internal hinge designs

#### **Available Upgrade:**

- EMP proof lock

(Installation of this lock invalidates the UL RSC rating on this safe as the EMP proof lock is not yet UL listed)
